Il Circolo is a club for those who speak Italian and for those interested in learning the language. Membership is open to anyone who speaks Italian and to anyone at any level of learning the language who would enjoy an opportunity to speak or practice their language skills in a friendly, social setting. The club meets one evening each month for dinner and conversation.

One simply pays for his or her own meal. No commitment is required; one attends as he or she is able. The only requirement is a desire to share a fun evening out in an environment where Italian is spoken! Dinner includes one appetizer, pasta course, two main courses, coffee and dessert for \$25 served family style. Beverage not included.

When: The first Wednesday of each month, 7pm

Where: Rinos's Place, 258 Saratoga Street, East Boston, MA
